Well guys this is one of the oldest leather shops in the Valley, they started in 1977 at the swap meets downtown Phoenix and they opened the first shop in 1988. They have been in the Biker Information Guide now for over 6 years.

I had a ball with one of the owner Bunny she is so much fun, filled with so much life, you guys have to stop in and talk to her.

Cory is her GM and has been a loyal employee to them now for over 4 years and runs the Scottsdale store.

Bunny's husband Mitch and their son Scott runs the Cave Creek store.

They are family owned and operated and want everyone to know they have the best Warranty on the leathers they sell...Bunny said as long as there are no bullet holes bring back in...LOL

They are known for high Quality leathers at great prices. They have 2 stores one at 7225 E. 1st st in Scottsdale and the other is in Cave Creek at 6245 E. Cave Creek rd.

Stop in and tell them Kimmy & Kelly Sent Ya!
