

**SMBIG Feature Story #3 Steel Horse Saloon  
1768 W. Bell Rd Phx, AZ  
602-942-8778**

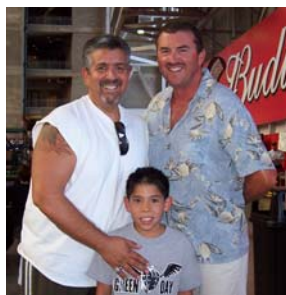

This is one of the oldest Biker Bars in the Valley. Ernie & Joanna have been good friends of mine since I moved here in 1995 from Chicago. Ernie and I help start AZ Bike Week together in 1997 and that was the year I opened Biker Information Guide. They were in my first issue and have been in the Magazine ever since.

Thanks guys for always believing in me. Joanna and Ernie are the owners of the bar and what wonderful friends and people they are. With all the Bike shows, poker runs, and events we have done together over the last 12 years we have memories for a life time. Here's to the next 12...Guys! This is

one of the only bars I know of that still to this day have the same Bartenders 12 years later. I want Thank Eric Joanna's Husband for all his hard work he does at the Bar and helping me with the Bike Shows...this man is just one word WONDERFUL.

Ernie, I also want to Thank You so much for introducing me to Dave Shafer, he is my right hand, one of my best friends in the world... for those who don't know who Dave is, he is Biker Information Guide's Website guy. He also does Steelhorse Saloons website. I will be running the Custom Bike

show again this year for the 12 Annual Trifecta Custom Bike show and Blow out on March 25 at the Steel Horse Saloon.

We will have all makes and models. So no matter what you ride your welcome to enter your Bike or ride to the Bar and have something to eat and drink anytime.
