Russ Brown Motorcycle Attorney

Russ Brown has been the preferred motorcycle attorney serving motorcyclists nationwide since 1975, and was one of the first advertisers in the Arizona Biker Information Guide since its origin in 1997. Fulfilling a dream to combine his love of law with his love of motorcycles, Russ set out to fill a niche- to defend the rights of motorcyclists everywhere, in the courtroom and on the road. Russ has been active in the fight for motorcycle rights

since the early days of the ABATE and MMA organizations. He has been official legal counsel for many motorcycle organizations and clubs. He was on the front lines in the fight against mandatory helmet laws, putting out stickers like "My Head, My Choice", and the "Helmet Laws and Ticket Defense" pocket guide. Russ spends weekends frequenting all the big motorcycle events and many hours at a favorite hang out, the Rock Store, in California. He is frequently stopped wherever he goes and asked for legal advice.

One night Russ discovered first hand that it was not just about legal advice. His bike sputtering, he pulled over. While trying to diagnose the problem, a car pulled up. Russ found himself robbed at knifepoint and beaten. This was the seed of the BAM program.

Since 1982, BAM has been helping riders with its free nationwide breakdown and legal service. BAM is now one million members strong, with 1,500 to 2,000 more joining the ranks every month. Russ and his BAM program has helped countless riders and can do the same for you. Call him at 1-800-4-BIKERS anytime to talk to Russ or get your free BAM card!

Russ, his partner Chuck Koro, and our Arizona affiliate Terry Pillinger, are available 24 hours a day, seven days a week, and have a 98% success rate of all retained cases. (Read what people have to say about us on our website, www.russbrown.com!)
