

## Feature Story #2

### AZ Toy Store

480-649-3299

I first met Sandy when he was the service manager than the GM over at Chosa's Harley Davidson's in Mesa and that was a little over 5 years ago and we became good friends right from the start.

Sandy comes from a long back ground in the Motorcycle industry with over 30 years. I finally for the first time got to meet his wife Louise and his whole team what a great team they have. As we talk I ask them what they wanted you guys to know about them.

AZ Toy Store believes in volume sales at great pricing with 25% lower pricing than anyone else in the valley.

Now going on their second year with 4 Master Techs, 6 employees and yes Sandy still and will always work on the bikes with his team.

They do a 100% service work on all the bikes before they put them out on the show room floor and

with over 150 bikes to choice from there is something for everyone from the largest selection of quality pre-owned Harley Davidson's, ATV's PWC's, Boats, Campers.

AZ Toy Store also buys and trades.
