I have known Jim and his son Cory since the day they started doing their mobile services...

They had an idea and went for it, and that was almost 4 years ago. They have really grown a lot in a very short time. They opened a shop on the west side of town in Surprise that has been opened now for a little over 1 ½ years...YES, they still do mobile services all over the Valley. So now you can stop in and see them, or they will still come to you.

They do Complete Motorcycle repair on all makes and models, High Performance work, Tires & Lube, Parts, Accessories, Services, they do it all. They have Oil Changes starting at \$24.95 and with a labor rate of only \$50.00 an hour. They have Factory Trained Technicians... Plus remember, they are mobile and will come to you.

This is a Father and Son team business; they both take pride in what they do together. They work really hard and make sure they take care of everyone's motorcycle that they work on. With all their work guaranteed... they specialize in H-D's, Honda, Yamaha and Polaris

Mike, a new guy to the team but not new to the Motorcycle world is their top Technician and has been working on bikes for over 25 years.
