

FEATURE STORY Myron Larrabee **Billet Bar & EZ Tattoo**

3752. N. Scottsdale, Az 480-941-1876

I have known Myron Larrabee, for 12 yrs. He has always been a very supportive & loyal friend. I thank him for that. He is the man behind that infamous corner that houses The Billet Bar and EZ Tattoo located at Scottsdale Rd. and 2nd Street, in Scottsdale. A Biker Bar & Tattoo Shop could be an intimidating combination, but not here. Larrabee insists on the Billet Bar standing out for many reasons. He caters to all types of clientele, and admits that increased public interest in bikes has surfaced because of the tolerable mesh of "regular people" and those "oh so bad bikers". The Billet represents this combination.

Myron was born on a motorcycle, so of course he began sculpting machines at the ripe age of 18. This passion took him into the custom motorcycle building business and eventually, Easyriders of Scottsdale was born in 1991. From this shop, where the Billet Bar now stands, Myron built, serviced & sold custom Harleys. Some went on to win many awards & were published

in national magazines such as, VQ, In The Wind, Biker, Ironhorse, Hot Bike, & Easyrider Magazines. "No one could predict where the market was going. Custom Bikes, Bike Builders, Tattoos, & that the 'Look of a Rebel' are the trademark of freedom in the millennium." says Myron.

Myron ultimately opened a watering hole for all of his clientele, and The Billet Bar emerged. If you have not stopped into The Billet Bar lately, you

will be shocked & amazed at the outdoor patio regulated to a cool 80 degrees in the summer (without misters ladies) lined with large flamed booths each big enough to host a party. Smoking is still permitted on the back patio. The front patio speaks for itself. On a weekend afternoon, just drive by and you will see the most beautiful bikes in the country. Thursday night is official bike night, where various custom builders are featured to show off their latest and greatest. Wednesday Night is Sport Bike Night! But every night is truly Bike Night at the Billet. Beautiful & Friendly Bartenders are always on hand to serve your favorite concoction after a good ride. Daily Drink Specials. It's always a good time at the Billet Bar. It's for everyone. Check out the web site for detailed events. www.azbilletbar.com.
