*Since I began working for Harley-Davidson in 1995 I've noted that there is a new breed of aggressive women in the work force. They have the financial means and the time to pursue other recreational outlets. They're in control of their destiny! Simply put they have it all..... But do they? We're looking for Brides that Ride! Gals that want to give that special day just that extra touch of class. What better place than here at Buddy Stubbs? This huge facility with it's vaulted ceiling & cathedral windows overlooking the local church spire is an ideal backdrop for a 'Biker- Bride's' Wedding!*

*We will have wedding packages to fit different budgets. Contact us as soon as possible as the event has to be planned well in advance.*

*We offer custom wedding hats that you may order to your specifications, wedding ring sets and bands or if you prefer you can design your own Harley-Davidson rings! We also carry cake toppers & cake knives. Let's not forget the guy's top hat with cummerbund & tie as well as gifts for the groomsmen!*

*You'll get the best help from our gals in the General Merchandise Dept.*

*(We all ride our own bikes.)*

*We encourage all you other gals out there to do something spontaneous! Come on down and tell me what you would like to do.*

*Create that special memory with us at Buddy Stubbs Harley-Davidson!*

***Stop in and see 'em and tell them Kimmy & Kelly sent ya!***
