It all started in 2005. Ted and I had a few cups of coffee and the idea for our Sport & Metric Biker Information Guide was born. As we had coffee and I told him my idea about opening another magazine in Arizona. I asked Ted for his point of view; since this was Ted's world...I told him about all the e-mails and calls I had been getting and that the Sport & Metric riders wanted their own magazine like our HD-Custom mag.

Then as we talked about the benefits of him advertising with us...the idea hit me. He needed to be one of the writers and advertisers of this magazine. Alright a little about this Amazing man:

Ted is the owner of AzSportBikeRentals.com and AzTrackday.com. He has been riding for over 30 years and for the last 5 years he has been racing, renting bikes, training, and everything to do in the Motorcycle industry. He is a true sport bike enthusiast and knows all there is to know about sport bikes!

He is one of the only guys who holds free events! Ted gives a ways over \$1,000 of dollars to charities. He also wanted me to tell all of you guy's Thank you....because of you guys he is growing and your loyalty means everything to him.

Hey guys here are some ideas for summer:....go see Ted, rent some Sport bikes, go up North. Ted has great ideas where to go and what to do. Also check out Aztrackday.com. Ted has made trackdays more accessible to the average street rider. He offers half days for as little as \$109 and FREE LEATHER and Bike Rentals. There is no excuse not to come out and learn how to be a better, safer rider in the only environment that allows you to focus on your relationship with the motorcycle. Make sure to check

the Websites (aztrack.com) for his falls events.

Ted has been trying to get me to do the 2-up, out on the race track with him and that just scares me to death but I guess I am going to have to try it with him come fall.

Tell Ted that Kimmy and Kelly sent ya
