

Off Road Trails

By Kenny Myers
kenny@azbig.com

There is a new law going into effect January 1, 2009 that will affect all of us, anyone who rides off road vehicles needs to read the next page OHV Laws written By Jim Harken... please help us spread the word.

Before you hit any of the trails I have listed below, keep in mind some safety items to bring with you: Most important one is water no matter what time of year it is, a cell phone, a map of the area you are going into, a compass. Let someone know the area you plan on riding in and when you should be back by, a can of fix a flat, a few power bars. Always be prepared!

Have fun and send in your pictures to us at Kenny@AzBig.com or Kimmy@AzBig.com
